A Camp Weed Summer

Siblings Daniel (age 16) and Abigail (age 13) Erefah attended the Camp Weed Summer Camp for the first time this year. According to Abigail, "Before going to Camp Weed I was excited but a little skeptical. I had never done anything like this and staying overnight at a camp was new to me. But when I got there, I had a lot of fun, built new friendships, and now have a better understanding of what my relationship with God should be. I am glad I went and I encourage other young people to go also." As the pictures below indicate, Abigail did have a lot of fun!

"Good things are happening at St. Michael. Come and see!"

Daniel notes that "at first, I was hesitant to go to Camp Weed, but at the end of the week, I was also hesitant to leave. I made new friends and we instantly formed bonds that I hope will be for a lifetime. I participated in activities there that I believe have made me a better person. The entire program taught me how God loves us in very diverse ways. I really enjoyed Camp Weed and I would like to go back next year." Daniel is continuing his spiritual journey with the friends he made during his week at Summer Camp by attending **Happening**, a renewal weekend for high school aged youth, from September 18-20 at Camp Weed.
