### *Presentation of the Offering – prayer to be said:*

Father, we offer you these gifts which you have given us: this bread, this wine, this money. With them we offer ourselves, our lives, and our work, to become through your Holy Spirit, a reasonable, holy and lively sacrifice. As this bread and wine become the Body and Blood of Christ, so may we and all your people become channels of your love; through the same Christ our Lord. Amen.

## SPECIAL PRAYERS

### **Birthday Prayer**

Watch over thy children, O Lord, as their days increase; bless and guide them wherever they may be. Strengthen them when they stand; comfort them when discouraged or sorrowful; raise them up if they fall; and in their hearts may thy peace, which passeth understanding, abide all the days of their lives; through Jesus Christ our Lord. *Amen.*

### **Capital Campaign Prayer**

Most gracious Lord Jesus Christ and generous source of all abundance, in gratitude we invite you to expand our hearts as we seek to increase and improve this place of worship, peace, healing, forgiveness, outreach, service and fellowship. May all who enter here be restored and strengthened on their journey of faith. Guide us Heavenly Father, that we may make manifest your vision of a beloved and enlightened church and community, and be a shining example of the living presence of the Holy Spirit. May we and our Capital Campaign be a channel of God's abundant grace; through Jesus Christ our Lord we pray. *Amen.*

## FROM THE RECTOR'S DESK

### Special Welcome

Today we welcome into our midst Dr. Derrick Standifer. Dr. Standifer is an author, speaker and full time single father, whose journey is a living testimony of perseverance and God's grace. As a student at Florida A&M University, his path did not begin with success. He dropped out, faced setbacks, and had to confront what it truly meant to start over.

Through faith, discipline, and persistence, he returned to complete his bachelor's degree, went on to earn his master's degree, and ultimately his PhD, all while raising his children as a full-time single dad of two.

Through his platform, *Life Is Like a Rubik's Cube*, Dr. Standifer teaches students and families how to navigate confusion, endure challenge, and finish hard things with purpose and integrity. His message reminds us that failure is not final, and we can redeem any journey when we stay obedient to the process.

Just recently, Dr. Standifer was selected as one of the honorees for an Excellence Educational Leadership Award. Each year Black male educators across Georgia, are nominated for their contribution in the field of Education by their peers and community leaders.
